

The McFly Outdoors 300-yard Rimfire F-Class Match saw 10 competitors brave the chilly morning and the legendary brisk wind of White Horse.

Wyatt Ratliff showed them all how it was done today with a 388-6X to take home First Place and Top Junior.

Braden Workman followed closely in 2nd place with a 386-6X, and Brody Knight rounded out the podium in 3rd place with a 382-7x.

Two junior Shooters on the Podium today! That's what it is all about!

We will return for our next match, weather permitting, on November 12th.

Thanks to all of the competitors for coming out today!
